MARTHA'S VINEYARD IS A VERY SPECIAL PLACE. YOU CANNOT LIVE HERE WITHOUT IT BECOMING A PART OF YOU . . .

WE, THE CLASS OF 1990, WOULD LIKE TO DEDICATE OUR YEARBOOK TO OUR ISLAND AND ALL THE MEMORIES IT HAS GIVEN TO US:

WE WILL ALWAYS REMEMBER THE CONFUSION OF SUMMER: The beauty of Menemsha Sunsets, cruising Circuit Avenue, Illumination Night, the fireworks, the carousel rides, going to the fair, the Shenandoah under full sail, skinny dipping at Ice House.

THE TRANQUILITY OF THE FALL: The rolling surf at Squibnocket, long walks at Quansoo, pumpkins at Morning Glory Farm, the ferry crossings, Sunday mornings at Alley's Store and breakfast at the Black Dog.

THE COLD WINTER DAYS: Skating on Seth's Pond, the first snow fall, sledding down island hills, hot cider under the Linden Tree.

THE VITALITY OF SPRING: the prom, walks at Felix Neck, Chappaquidick sunrises, the mournful tone of the foghorn, and of course, Graduation.

THIS ISLAND MEANS MANY DIFFERENT THINGS TO EACH OF US AND THIS DEDICATION IS OUR WAY OF EXPRESSING OUR GRATITUDE TO THE ISLAND AND THE MANY PEOPLE WHO HAVE MADE GROWING UP HERE A UNIQUE EXPERIENCE. THANK YOU. WE WILL NEVER FORGET.

CLASS HISTORY

As we come to an end of our four years at the Martha's Vineyard Regional High School, I feel it's safe to say the Class of 1990 is truly unique. We are not unique because of our outstanding academic achievements, nor for our outstanding athletes, (although we have both). What makes our class unique is our original personality. We are a very diverse group that has pulled together to make our four years at M.V.R.H.S. a rewarding experience.

When those yellow busses delivered us as freshmen four years ago, they left us on our own to face the typical high school problem, that of survival. However, those days passed; the lockers finally opened, the homework finally got done and we settled in as all freshmen finally do.

Our early attempts at fundraising were awkward, but by the sophomore and junior year, we threw ourselves into countless bakesales, car washes, dances, and the famous concession stand madness.

With the help of the community and our advisors, Mr. Henke, and Mr. Hazelton, we "pulled off" our Junior Prom, "Wonderful Tonight," which will remain embedded in the memories of all of us.

We didn't believe our parents when they said "your high school years will go by fast"; however, we now know that their statement was true. Where has the time gone? It's difficult to believe that we are seniors and that our high school careers are over. We spent this year doing what all seniors have done in the past. From filling our college applications, taking the dreaded S.A.T.'s, signing up for branches of the armed services, and to making some of the most important decisions of our lives, we are now ready as the class of 1990 to move on.

Our names will remain however at the high school, some literally carved into the desks and walls, some engraved in the trophy cases and some in the hearts of the faculty.

During our four year stay at the regional, we have made friends and hopefully few enemies. As we leave, we take with us fond memories of our stay.

Good Luck, Class of 1990!
